PROTECTION AGAINST CORONA

VISITOR REGISTRATION
Register at the gate on working days and at the reception desk in the exhibition areas at the weekends/on public holidays and leave your contact details!

MANDATORY USE OF FACE MASKS
When entering the exhibition areas it is mandatory to wear a mouth/nose protection! Children up to the age of 6 and people with diseases which do not allow wearing a mask are exempted from it.

SAFETY DISTANCE
Always maintain the safety distance of 1.50 m to the next guest and to our employees on the factory premises! Stay behind the protective barriers at the reception desk. Always follow the designated loop tours!

WAYS OF GREETING
Avoid any physical contact like handshakes or embraces!

COUGHING AND SNEEZING ETIQUETTE
Cough or sneeze into your elbow or into a paper tissue that has to be thrown into a waste bin immediately!

AVOID TOUCHING THE MUCOUS MEMBRANES
Avoid touching eyes, nose and mouth!

HAND HYGIENE
Wash your hands thoroughly at the earliest opportunity after using the active stations and use the disinfection stations in our exhibition areas regularly!

SAFETY INSTRUCTIONS
Follow the safety instructions of the personnel for your own safety!
